2.4. The rates for SOC do not include liner charges (DTHC, drop-off fee, demurrage etc.). In case these charges are paid by the Forwarder the additional documentation fee of RUR 3500 (subject to VAT 0%) is charged. Possibility of collecting of the charges of other carriers by the Forwarder and its amount are agreed with the Forwarder additionally. Possible extra storage charges that may arise due to having no preliminary information of such containers' arrival and to necessary coordination procedures of payment of these charges via the Forwarder, are on the Client's account.

3. The rates are valid for transportation of general cargo and are not applicable to transportation of hazardous cargo, cargo that require special temperature maintenance (perishable goods), cargoes in flexi-tank containers and tank containers.

4. The rates are valid for the cargo that passes customs clearance by means and at the expense of the Client.

The rates for the cargo that passes customs clearance at the station of destination are subject to charges for arranging transit declaration of the cargoes under customs transit procedure. In case this procedure is arranged by the Forwarder the fee for arranging transit declaration may be applied to the rates at the amount of RUR 3390 per container (subject to VAT 0%). In case transportation is arranged by two or more bills of lading then the fee for arranging the additional transit declaration is charged at the amount of RUR 2323 (subject to VAT 0%) per each additional declaration.

In case customs transit procedure is completed in Vladivostok port:

- the additional fee of RUR 1500 (subject to VAT 0%) is charged for customs transit procedure completion (without re-arranging the electronic form of the transit declaration);
- the additional fee of RUR 2000 (subject to VAT 0%) is charged for customs transit procedure completion (with re-arranging the electronic form of the transit declaration);
- in case of refusal to issue a declaration the fee of RUR 1790 (subject to VAT 0%) for the service of re-registration of the electronic form of transit declaration and for arranging the register of commercial and transport documents.

5. The rates may be reconsidered in case of the increase/implementation of the charges at the moment of the cargo acceptance for transportation.

6. The weight of one cargo package (item) in container should not exceed 1.500 kgs.

7. Container gross-weight (which is calculated as the sum of the cargo weight and container weight) should not exceed the conventional container weight mentioned on the CSC plate. At the same time the gross-weight of containers which are dispatched by rail should not exceed 30'480 kgs.

8. Charges in port of loading which are not included into the rates:

8.1. If the cargo is dispatched from several shippers then consolidation fee in Chinese ports of loading USD 80 (without VAT) per 20/40-feet container is charged.

8.2. In case shipper's side requests for a correction of a bill of lading, CNY 500 for shipments from Dalian, Tianjin, Qingdao, Shanghai and Ningbo, CNY 550 for shipments from Xiamen, Guangzhou and Shenzhen, HKD 625 for shipments from Hong Kong port, USD 30 for shipments from other ports per each correction notice will be charged accordingly (without VAT).

8.3. Other fees at the port of loading (including OTHC, documentation fee, demurrage/detention fees etc) are charged from the shipper additionally by fact.

9. Charges concerned with arranging port forwarding in Vladivostok and with transportation by rail that are not included into the rates:

The fee is charged for making correction of the following information in the order: the name of shipper/consignee, port of discharge, station or point of destination, customs clearance point, data for the "Special remarks" box of the railway bill, information about the cargo (weight, quantity of packages, name and cargo description which should correspond with the HS code of the cargo which is planned to be used for customs clearance of the cargo in Russian customs).

9.2. Penalty for the incorrect filling in the 30th box of the customs declaration: RUR 521.4 (without VAT).

9.3. Expenses for reloading from container to the transport, from container to the warehouse and vice versa, cargo lashing/unlashing in container, except special lashing, per one operation, regardless of the amount of the reloaded cargo (subject to VAT 0%):

RUR 23060/26607 per 20/40-feet for the cargo on pallets and in big bags;

RUR 53965/58263 per 20/40-feet for the non-palletized cargo.

In case of partial unloading of the cargo from container in Vladivostok port, FIT through bill of lading is cancelled, and the transportation cost may be revised.

9.4. Possibility of transportation of cars and loaders is to be checked additionally.

9.5. The rates include the below mentioned period of storage on a terminal at Vladivostok starting from the day of laden container discharge from the vessel, that is required to arrange custom formalities and railway dispatch formalities under normal circumstances, but subject to proper shipping documentation (commercial invoice, packing list which data correspond with that in a relevant bill of lading) provided by the Client's side (shipper or consignee) not later than the vessel arrival in Vladivostok. However, in case the Client within the below mentioned period, which is enough for arranging of dispatch by rail:

- does not provide correct shipping documents, e.g.: commercial invoice, packing list, which data correspond with B/L or the information of the correct cargo name and its HS code (for the cargo which passes customs clearance in Vladivostok);

- does not arrange payment for the freight-forwarding services;

- does not surrender the original Bill of lading or there is no confirmation for a telex release;

- does not provide details of a consignee, which are compulsory for a railway bill;

the Client is to reimburse the following storage charges till the day documents are passed to the terminal for dispatch by rail (subject to 0% VAT):

a) for containers with **non-hazardous** cargo which are dispatched by rail:

- in import shipment starting from 15th day of container stay on the terminal in Vladivostok:

from 15th till 25th day – RUR 2388/3752 per 20/40-feet container per day;

over 25 days – RUR 4776/6481 per 20/40-foot container per day.

- to CIS and Mongolia starting from 22nd day of container stay on the terminal in Vladivostok:

9.6. In case of transportation of the cargo that requires lashing or approval of its dispatch by rail, including transportation of IMO cargo or cargo packages which weight exceeds 1.500 kgs, it is necessary to arrange placing and lashing the cargo in a container in accordance with the requirements of Chapter 12 of the Technical Conditions. If the loading of the exact cargo is not covered with this Chapter then execution and approval of the Unspecified Technical Conditions (UTC) and placement of cargo in a container according to UTC is required. In such case the rates are subject to the fee for execution and approval of UTC in the amount which is advised additionally. Such cargo may be accepted for transportation only upon providing photos of the cargo placement in a container.

The shipper must arrange lashing of the cargo in a container at port of loading in accordance with UTC. If it is possible to arrange lashing of IMO cargo in Vladivostok then the rate for bringing the cargo in a container into transportable state (for placing and lashing the cargo in a container using fastening and separation materials) in accordance with the UTC for its further transportation by rail makes RUR 23878/27289 per 20/40-foot container (subject to VAT 0%).

Herewith the Forwarder is not liable to the Client for the impossibility to arrange lashing of IMO cargo in port for its further dispatch by rail. If lashing of IMO cargo in port is not possible, the Forwarder reserves the right to unilaterally refuse to fulfill his obligations in case of detection of deficiencies that cannot be eliminated by available means and endanger people involved in its handling. In this case, the Client is obliged to ensure the export of dangerous cargo from the port area as soon as possible.

In case of transportation of IMO cargo belonging to 1-9 IMO class the rates are subject to additional fee of RUR 6000 per 20/40-foot container (subject to VAT 0%).

The rates are subject to the storage charges indicated till a day of completing of the procedures concerned with the cargo lashing or receiving the approval for its dispatch by rail from Vladivostok as well as expenses concerned with the customs inspection of such containers.
